# 5 Day Bible Reading Program

✓ **Read the entire Bible or just the New Testament in 2009!**

✓ **Completely revised Schedule is easier than ever to complete!**

This special Bible reading system allows you to read the entire Bible (or just the New Testament) in one year while only reading five times a week. Five readings a week gives room to catch up or take a needed day off, and makes daily Bible reading practical and do-able. Many people have successfully reached their goal of regular Bible reading using this schedule. For 2009 the Five Day Schedule has been completely revised to make it easier to complete and to arrange the readings more chronologically. Even the Psalms have been placed appropriately to where they fit, if at all possible.

Always do the reading in the order it appears on the Schedule. So, for example, if a reading from Chronicles appears before Kings in that day's reading read from Chronicles first. Check off each day's reading and then check off each week in the Weekly Progress Register. You will be amazed at how soon you are deep into the year and still reading your Bible regularly! God's blessings rest with those who will read, understand, and live by His Word. May this guide help you to that noble end. "Thy word is a lamp to my feet, and a light to my path" (Psalms 119:105).
